# Haven

BED FRAME

**Love the style and strength of timber but crave the cosy feel of fabric? In solid European Ash with a chic upholstered headboard, our Haven Bed Frame is made for you.**

## Features

- Stylish solid timber bed frame with comfortable upholstered panel.
- Ultra-sturdy and eco-friendly construction in Grade A, FSC®-certified American Ash.
- FastFrame™ connectors for easy, tool-free assembly in under 10 minutes.
- Creak-free stability from solid wood slats and mortise and tenon joinery.
- Due to the nature of solid timber, actual grain patterns and colours may vary from the images shown.

## Care Instructions

**Timber**

- To clean and remove dust, wipe with a soft, lint-free (microfibre) cloth, slightly dampened with water only.
- DO NOT submerge in water or keep damp for prolonged periods of time.
- DO NOT use harsh chemicals, all-purpose cleaners, silicone-based polishes, ammonia, or abrasive cleaners.
- Avoid placing in direct sunlight.
- DO NOT place your bed near heat sources. Keep away from radiators, heaters, or air conditioning vents.
- DO NOT drag the bed. Always lift it completely off the floor when moving it.
- Your Ecosa bed base has been varnished with a water-based coating for a natural appearance. In order to maintain your warranty, do not alter your bed base. This includes sanding, varnishing and cutting/reshaping any parts.

**Fabric**

- Vacuum regularly on low suction.
- Blot spills immediately with an absorbent towel or clean, damp cloth.
- Spot clean with upholstery shampoo, mild detergent or a mild cleaning solvent.
- DO NOT saturate with liquid.
- Avoid scrubbing and the use of harsh detergents.

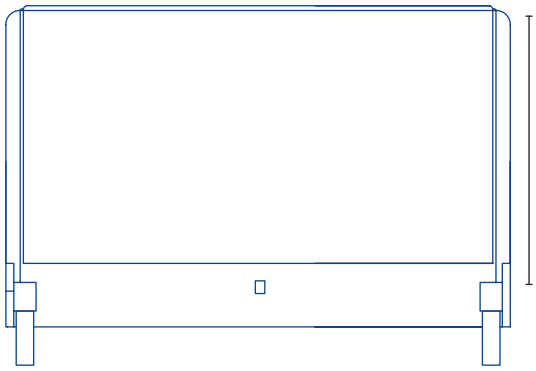

## Materials
