

- **Targeted support** and pressure relief with pocket springs and ergonomic support foam.
- **Eco-friendly, breathable** materials for sweat-free, sustainable sleep.
- **Zero partner disturbance** with an additional foam layer.

Features

- Affordable hybrid mattress with reinforced edge support.
- Breathable, pressure-relieving structure with zoned pocket springs and open-cell support foam.
- 3 firmness levels to choose from: Plush, Medium, Firm.
- Eco-friendly and zero-waste materials reduce carbon footprint for more sustainable sleep.

Care Instructions

- Use a mattress protector or overlay.
- Occasional airing is recommended.
- Vacuum regularly on low suction.
- Remove all liquid and food spills immediately.
- Spot clean only with a damp, clean cloth and mild, non-coloured pure soap solution and warm water.
- Allow to air dry.
- DO NOT bleach, use bleach alternatives or harsh chemicals.
- DO NOT rub.
- DO NOT wash, soak or saturate any part of the mattress.
- DO NOT dry clean.

If using your mattress on the floor, air the space below regularly to avoid moisture build-up.
